

TR - Round 20

Updates

1. *Private rooms*

Private rooms *(under development)*

Since the day ingame chat was implemented we had access to only one room - General room - where all online gangsters would hang out. Now, we are giving you access to 2 additional rooms - **one for the city** where you are and **one for your family**.

In case you want to know more....

Visit following pages to get information about main changes implemented in past versions:

- Chat
- Bullets and shooting limit
- End of game concept
- Accommodation
- 48h family protection
- UI
- Winning
- Car race
